DELTA METALS Legacy Panel

Introducing our newest line of panels, the Legacy Panel. This panel offers an appealing combination of style and affordability. The 12" on center rib gives the look and feel of standing seam roofing but at an efficient price. Legacy Panel paired with Sherwin William's 40-year paint system, it is sure to make your next roof the last you will ever need!

- Uses all the same trim as the Delta Max Rib
- Same clean lines as standing seam roofs

- Installs the same as other exposed fastener panels
- Available in 29 & 26 Gauge

1796 Hwy 50 Delta, CO 81416 (970) 874-7070
